

TOURISM IN FIGURES 2015

Dear,

The independent portal European Best Destination declared Zagreb as the best Advent destination. According to the choice of the same portal, the city of Zadar was awarded the flattering title of best European destination in 2016, while the city of Rijeka has been chosen as the Croatian European Capital of Culture for 2020.

On their portals, tour operators have listed dozens of reasons why Croatia should be visited as soon as possible.

The successfully organized Ultra Festival Split 2016 has ensured its fifth season in this Croatian city. The world famous destination – Dubrovnik has been listed as a top destination in 2016 by the British media.

We could list a lot of commendations, acclaims and awards which verify Croatia as a significant player in the international tourist market. We are very satisfied and really proud to have the opportunity to point out the continuation of the upward trend of arrivals and overnight stays, especially from the new markets, which is of course, accompanied by a significant growth in investments, new employment vacancies and the impetus of different economic activities and fields.

We kindly invite you to find out for yourself about all the acknowledgements addressed to Croatian tourism, and we are more than sure you will have a reason to add some new ones.

Welcome to Croatia!
